## ITME Africa 2023: Transforming Kenya's Textile Industry

The India ITME Society, successfully concluded the "Curtain Raiser & Preview" of the 2nd edition of ITME Africa & Middle East 2023 on October 3, 2023. The event is scheduled to take place from November 30th to December 2nd, 2023, in Nairobi, Kenya.

With over 80 years of development and a rapidly growing economy bolstered by advancing textile technology, Kenya is on track to become Africa's Textile and Apparel Hub. As the host country for ITME Africa 2023, Kenya, a prominent member of the African Union and an active participant in the African Free Trade Area (AFTA), is poised to become the epicenter of Textile Technology & Engineering Industry for the entire African continent.

Ketan Sanghvi, Chairman India ITME Society, expressed his optimism, "With 23 countries converging in Nairobi under the banner of India ITME Society, Africa will benefit tremendously in sowing the seeds for future partnerships and successful business on the African continent."
